CTU FEE student

Fitness room administrator (B210)

Already helping the club.

I live at Masaryk Dormitory and I'm an active member of the club. On the Board, I'd like to build on the current team's work and focus on practical improvements.

I helped with:

- | | |
|--|--|
| 01 Gym and table tennis room renovations | 02 Fitness room maintenance and administration |
| 03 New member registrations and bar service at the BBQ party | 04 Improving online services and creating club materials |

My priorities:

- | | |
|--|--|
| 01 Continue improving club rooms
Next step: shared kitchens | 02 Continue improving Wi-Fi coverage across the dorm |
| 03 Organize chess or billiard tournaments while supporting other club events | 04 Encourage more new active members to help shape the club's future |

I agree to stand as a candidate for the Board of the Masařka Club.
